or call **833-862-VPAP (833-862-8727)**

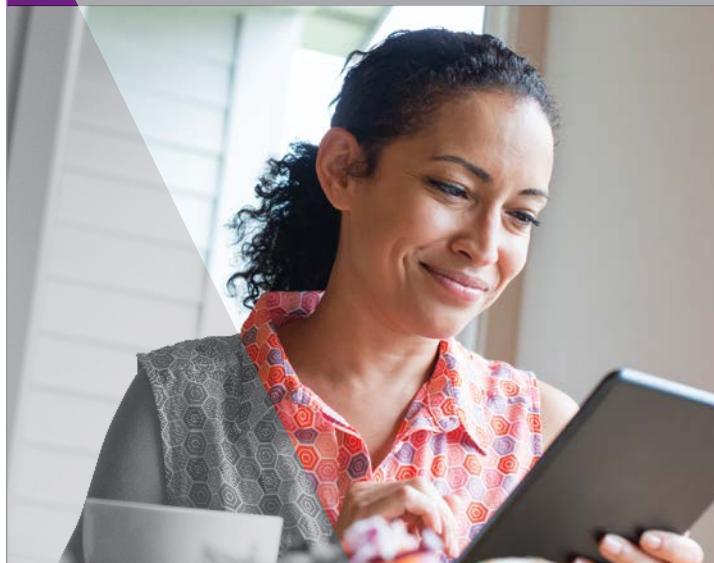

We help provide access to many of our prescription products if you meet eligibility requirements*

- You are a legal United States resident
- You are being treated as an outpatient and have a valid prescription from a licensed U.S. healthcare professional for a product that is included in the Valeant Patient Assistance Program (Valeant PAP)
- You are uninsured or the prescription product is not covered by your insurance plan
- You are not covered, in whole or in part, by government-funded health insurance, such as Medicare, Medicaid, or other federal or state pharmacy assistance programs
 - If you have Medicare coverage, you may be eligible if you meet certain program guidelines

*Visit ValeantPAP.com for full Eligibility Requirements & Terms and Conditions and for a complete listing of included products

†Along with any appropriate supporting documentation

Please consult your doctor or other healthcare professional for full Prescribing Information, including any Boxed Warning, Medication Guide and/or Patient Information for the product(s) you have been prescribed, or call Valeant Medical Information at (877) 361-2719 to request that it be faxed, emailed, or mailed instead.

**Our
Commitment
to Patients**

Valeant Pharmaceuticals is committed to helping eligible patients in financial need, and without prescription insurance coverage, receive our prescription products at no cost through the Valeant PAP.

How the Program Works

1. You and your prescriber must complete the Valeant PAP application. Submit the application and signed original prescription(s).†
 - There is no cost to apply
 - The application form is available at ValeantPAP.com
 - Instructions on how to submit the application are listed on the form
2. We will review and confirm the information in your application and respond within two business days.
3. If approved, you are eligible to receive your Valeant prescription product at no cost to you for up to one year.
4. You may be able to reapply to the program annually if you continue to meet eligibility requirements and have a valid prescription.
